Wednesday Evening Lenten Program will be a unique experience this year. It is linked to the 400th Anniversary of the Episcopal Church in Hampton. It will be shared by St. John's, the local "mother" church, and its four "daughter" churches. The theme is "Who is Our Neighbor?" Each Wednesday evening the pattern will follow the same format: 6pm dinner (provided by host church); 6:40pm the program; and 7:40 closing worship. The program gives the host parish opportunity to share its story – beginnings, struggles, & triumphs, and explore its ministry now and in the future. We begin with the youngest parish and conclude with the oldest.
