Emmanuel's "Little Children" Graduate

Emmanuel has the pleasure of watching lots of little children grow up. There are three active teens that spent years growing at our church who will graduate from high school this month. They are:

Tiffany Burgess

Zackary DeCoster

Victoria Peabody.

We wish them God's blessings as they began the next phase of their lives.

Youth Service

Youth-led services are nothing new to Emmanuel; they have been done for years. This year the teens requested to be more involved in the development of the service rather than just being assigned a role normally performed by an adult. Tori Foulks, Roy DeCoster, and Vicky Peabody have worked together to plan the entire service with the involvement of all the teens and they have met with the younger children to create the prayers of the people and posters for visual aids. We hope to have all available children participating in this year's youth service which is June 6 at 10:15. We hope you can attend.

Lock-In

On Friday, June 25 EYC will have a lock-in. It will begin at 7PM and be over at 8AM on Saturday (we have to be out for a scheduled activity). Bring a snack and /or a drink to share, a pillow and sleeping bag or blanket, and any games you would like to play or movies you would like to watch. Due to the large number participating in EYC, this activity will not be available

to friends.

Youth Take Action in Visioning

The youth displayed some dutiful responsibility when it came to the visioning of Emmanuel's future. They were actively involved in the first process of identifying their visions for years to come as well as selecting the ones they considered important. Great job, teens!

Mission Not Just for Adults

The mission team recently spent a Saturday doing repairs to member's home. We are pleased to say that four teens helped. They are Tori Foulks, Roy DeCoster, Ricky Nauroth, and Grace Harrington. Young Faith Harrington and Julia Nauroth were also dedicated workers.

Thanks to All

It's been a great year for EYC. Thanks to the teens, the parents, leaders, and those who support the youth. EYC will start back up in September.
